Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Sunday 17 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry and rather cloudy. Mild with light winds.

Today:
Mainly dry with only the odd drizzly shower remaining. Also rather cloudy with a just few brighter interludes, mostly through this morning. It will be a mild day with light winds. Maximum temperature 16 deg C (61 deg F).

Tonight:
It will be mostly dry overnight but rather misty with fog over high ground. A very mild night with freshening southerly winds. Minimum temperature 12 deg C (54 deg F).

Monday:
Cloudy for much of the day with patchy light rain coming along during the morning, clearing away in the afternoon. A few clear intervals developing by evening. Mild and breezy. Maximum temperature 16 deg C (61 deg F).

Outlook for Tuesday to Thursday:
Mostly cloudy and mild on Tuesday and Wednesday with outbreaks of rain, heavy at times. Becoming drier, brighter and colder during Thursday with strong northerly winds and a few showers.
